SUBCOMMITTEE ON SOCIAL SECURITY  
DEMOCRATIC STEERING AND POLICY COMMITTEE

**Congress of the United States**  
**House of Representatives**

May 20, 2020

The Honorable Phil Murphy  
Governor of New Jersey  
State House  
P.O. Box 001  
Trenton, NJ 08625

Dear Governor Murphy:

I write because the Dominican Republic's general elections are rapidly approaching on July 5, 2020 and concerns have been raised about Dominican Americans' ability to cast a vote. I am proud to represent a vibrant Dominican American community in northern New Jersey and these individuals are central to the social fabric of our state. I urge you to use your voice and position to do everything in your power to ensure that Dominican Americans residing in New Jersey can exercise their constitutional right to vote in the upcoming elections.

The COVID-19 pandemic has upended daily life for nearly all New Jerseyans. The challenges our community face have been made even more difficult because of this crisis. This crisis should not prohibit the more than 300,000 Dominican Americans who live in New Jersey from voting. Being able to express your voice in an election to determine your representatives is a cornerstone of democracy. Just like the processes our state has put into place to ensure safe and fair elections during this crisis, we must have policies and procedures in place to assist our fellow Dominican residents in voting in the upcoming elections. These safeguards are needed to ensure constitutional rights are upheld and people are not put at unnecessary risk during this crisis.

I urge you to give our Dominican Americans neighbors the peace of mind they deserve by working with the republic to establish a plan to protect their constitutional rights to vote in the July 5 general elections. I urge this plan to include methods to communicate information about any changes from previous electoral processes to voters and safe practices for casting a vote during this crisis.

Thank you for your time and attention to this request. I am ready to work with you to ensure all Dominican Americans residing in New Jersey can exercise their democratic rights.

Sincerely,

---

Bill Pascrell, Jr.  
Member of Congress
